OUR HISTORY...

Like most bowling clubs around Australia, St Johns Park Bowling Club had humble beginnings. A group of local men who wanted to have a bowling green in their local area pooled their resources and with volunteer labour and donated materials, slowly created a green and a small club house. Play commenced on the club's first green in March 1953 and a second green was added in 1956.

The club has never lost sight of their principle charter, which is to promote and foster the game of lawn bowls. Over the years, St Johns Park Bowlers have excelled in Zone/State/National and International events and tournaments, including many players from Saints Junior Bowls Academy representing the club.

The club has never lost sight of their principle charter, which is to promote and foster the game of lawn bowls.

St Johns Park Bowling Club is a dominant force in lawn bowls with many national and state players, offering a high level of mentoring and coaching to players of all levels. The main aim of the game is to have fun with friends and we are sure you will enjoy your new membership.
